Exhibit Information and Show Rules

Location of Exhibits
The exhibits will be in the Lafite Ballroom at the Wynn/Encore Las Vegas. The exhibit hall is carpeted.

Children in the Exhibit Hall
For the protection of children and to maintain the scientific nature of exhibition, no children under the age of 18 will be allowed in the Exhibit Hall during installation, dismantling or show hours. Strollers are not permitted in the Exhibit Hall at any time.

Booth Options and Specifications
All non-island booths are sold in increments of ten foot by ten foot (10’x10’) in-line spaces. Please note that you may not erect walls, partitions, decorations, or other obstructions that prohibit seeing through to neighboring spaces. Booths must not measure higher than eight feet (8’) at the back wall and four feet (4’) on the sides. Confine display fixtures over four feet (4’) high and no higher than eight feet (8’) to that area of the exhibit booth that is within five feet (5’) of the back wall.

At CAP20, an island booth is any group of booths made up of four more booths with aisles on all four sides. Island booths may not exceed 20 feet (20’) in height, including any signs whether part of the booth structure or hanging from the ceiling.

Two-story or multilevel booths are not available at CAP20. Islands must have adequate see-through area and sufficient entrances of five feet (5’) on all sides. For island booth requests, please submit booth design blueprints and perspective drawings to CAP Show Management at exhibits@cap.org for review no later than August 12, 2020. We will notify you within two weeks of receiving your plans if your design is acceptable “as is” or if you will be required to make changes.

Peninsula booths are not permitted (i.e., an exhibitor may not rent back-to-back booths at the end of two rows and open the booth to a cross aisle).

Failure to comply with booth specifications on any size booth will require on-site modifications at the sole discretion of CAP Show Management. The exhibiting company will be responsible for any costs incurred as a result of meeting these specifications.

Fees
In-line booth: Each 10’x10’ booth will sell for $3,900; each 10’x20’ booth will sell for $7,800; and each 10’x30’ booth will sell for $11,700. A 10’x10’ end booth will sell for $4,200. A 20’x20’ island booth will sell for $19,000. For additional size booths, see page 15.

Each exhibiting company will receive three (3) complimentary badges per 100-square-foot booth; exhibitors may purchase additional badges at $225 each for all exhibiting days or $150 each for one exhibit day.

Attendee List Requests
A CAP20 attendee list with postal addresses only is available for exhibitors to purchase for $750 (booth space must be paid in full). To receive a preshow list approximately three weeks out and a post-show list seven to ten days after show, you will need to submit a payment of $750. The attendee list is to be used only for CAP20-related activity. You must send a copy of your material to exhibits@cap.org for approval prior to mailing.

Booth Space Requests
To request space at CAP20, please fill out and return the attached Hold-a-Space form and either fax it to 847-832-3836 or email it to exhibits@cap.org. Please note that submitting this form does not confirm space; the CAP will send a confirmation email of space to the primary contact. Exhibitors must pay all booth fees in full no later than July 31, 2020. No exhibitor will be allowed on the show floor unless all CAP20 invoices have been paid in full. After July 31, 2020 the CAP will accept requests to exhibit and assign space on a space-available basis after receiving full payment.

Meeting Space Requests
To request meeting space at the Wynn/Encore, please email request with date and time to exhibits@cap.org. Space is limited. Meeting space for a max of 15 people rents for $3,500 per day (up to 10 hours a day). Companies must have a booth on the show floor to request meeting space.

Space Assignment
The CAP Show Management assigns exhibit space. Indicate key competitive adjacencies you hope to avoid on the Hold-a-Space form. The CAP Show Management will make every effort to honor your request. The CAP does not permit the exchange of booth fees for a supporter opportunity. Booth assignments will be announced on June 24, 2020. An email with your booth number and the exhibit kit link will be sent to you via email on June 24, 2020.

Payment Terms and Space Fees
The CAP will invoice all CAP20 exhibitor fees via email if you would like to pay by credit card, please contact the Customer Financial Services department at 800-323-3030 option 1 or email once you have received your invoice arcap@cap.org. We accept American Express, VISA, or MasterCard. Again, you must pay all fees in full no later than July 31, 2020. Requests for booth space not paid in full by July 31, 2020, will be released for sale. We require full payment of booth space for any requests received after June 1, 2020. CAP Show Management will not allow an exhibiting company on the exhibit floor unless booth payment and all related show costs are paid in full.

Cancellations
For cancellations made prior to and including August 3, 2020 a 50% cancellation fee will apply. Full payment is required for all cancellation requests received after August 3, 2020. The CAP will not issue refunds for cancellations received after August 3, 2020.

Exhibitor Promotion and Marketing
The CAP will publish exhibitor information on the CAP20 website (cap.org/cap20), on-site printed materials, and on-site signage if received by published dates.

Industry Workshops
All workshop title and descriptions will be included on the CAP20 registration site. Hosts are responsible to get title, description and speakers to the CAP as soon as possible. The sooner CAP receives the title, description and speakers the more traffic the workshop will receive on the registration site. CAP20
registration site will open in May. Hosts are responsible for all audio visual and food/beverage costs. Eight weeks prior to show the CAP will provide you with hotel contact information allowing you to work directly with the hotel for all your workshop needs. On site, CAP will provide you a lead retrieval device (30–45 minutes before the start of your program) for use only at your workshop. Companies must have a booth on the show floor to host a workshop. Deadline for your workshop information to be included in onsite materials is August 5, 2020.

Housing
Exhibitors cannot reserve sleeping rooms before they pay for booth space. The CAP has contracted a block of sleeping rooms at the Wynn/Encore Las Vegas. Beginning in May exhibitors who have paid for booth space may book sleeping rooms through the CAP20 exhibitor registration portal. A link will be sent to the main contact when registration opens for both housing and badges.

Wait List
The CAP will place exhibitors requesting space after the maximum number of booths have been sold on a waitlist. If space should become available, the CAP will contact those companies in the order in which they were placed on the wait list. If your company clears the wait list, you will follow the same payment terms listed on page 11.

Floor Plan
Prospective exhibiting companies may view a static floor plan after June 1, 2020 by visiting cap.org/cap20. A floor plan with booth assignments will be available after July 3, by visiting cap.org/cap20. The CAP reserves the right to alter the floor plan at any time.

Exhibit Space Notification

Lead Retrieval
The CAP will offer an electronic lead retrieval system at cap.org/cap20, beginning June 25, 2020.

Sharing Space
No subletting or sharing of exhibit space or sponsorship opportunities is permitted.

Suitcasing
The CAP is helping to ensure a successful CAP20 for its exhibitors by increasing measures to protect exhibitors from “suitcasing” at CAP20. While all meeting attendees are invited to the exhibit hall, any attendee who is observed to be soliciting business in the aisles or other public spaces, in another company’s booth, or in violation of any portion of this prospectus will be asked to leave immediately.

Please report any violations you may observe to CAP Show Management. The CAP recognizes that suit casing may also take the form of commercial activity conducted from a hotel guest room, hospitality suite, restaurant, club, or any other public place of assembly. For the purposes of this requirement, suit casing is not allowed during or adjacent to CAP20. You must inform CAP Show Management of any hospitality suites and receive written consent prior to the event.

If a booth is not set up by 8:00 PM on Saturday, October 10, CAP Show Management will set up your booth for you and invoice your company for labor.

Dismantling of Exhibits
Tear-down is scheduled for October 12 from 7:15–11:15 PM and Tuesday, October 13 from 8:00 AM – Noon. Exhibitors may not dismantle their booths, even partially, before the close of the exhibit hall.

Services
The Exhibit Hall at the Wynn/Encore Las Vegas IS carpeted. In addition to the use of the space itself, the CAP provides each 10’x10’ booth with the following:
- One standard two-line sign displaying your company name and booth number
- One 6’ draped table
- One wastebasket
- Janitorial services for common area of the show floor only
- Pipe and drape for back and sides of your area
- Three complimentary exhibit hall badges
- Ability to reserve and pay for up to six (6) sleeping rooms at the Wynn/Encore Las Vegas, bases on availability

Booth cleaning services, display unites, chairs, electricity, phone service, internet services, etc., are not covered in the booth fee. Exhibitors may order these items through the GES exhibitor kit which can be found at cap.org/cap20, beginning June 25, 2020.

Force Majeure
Any nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, acts of government, acts of nature, orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the control and not caused by the negligence of nonperforming party.

Indemnification, Liability, and Insurance
Exhibitor is responsible for safeguarding its property at all times. While security will be provided at the front door of the exhibit hall, neither the CAP nor the Wynn/Encore Las Vegas guarantees the prevention of occurrences that may result in damage or loss, nor do either maintain insurance covering exhibitor property. Exhibitor assumes all liability for any damage to the facility’s infrastructure as a result of the Exhibitor’s actions and/or neglect. Exhibitor assumes all responsibility for liabilities, claims, and/or damage arising from exhibitor activities at the Wynn/Encore Las Vegas and agrees to indemnify, defend, and hold harmless the Wynn/Encore Las Vegas, the CAP, and their respective officers, directors, members, employees, agents and representatives from any and all such losses, damages, and claims. Exhibitor assumes all responsibility for compliance with local, city, and federal ordinances and regulations regarding public exhibitions, including fire, safety, and health regulations.

Exhibitor will obtain insurance for exhibitor’s own protection during the meeting. Such protection shall include, but not be limited to, setup, tear down, transit, and exhibitor’s employees. Such insurance must be in amounts adequate to cover indemnification for losses as set above but in no event less than (a) General Liability, $2 million each occurrence and $2 million aggregate; (b) Business Auto Liability, including no-fault coverage, $2 million combined single limit per accident for bodily injury and property damage, and; (c) Workers Compensation coverage as required by statute and Employers Liability of $2 million. Exhibitor agrees to learn and to comply with all union and facility regulations and/or policies.
PAYMENT REMINDER
All CAP20 invoices must be paid in full prior to the start of show in order to be allowed on the exhibit floor.

Exhibitor shall provide the CAP, at least 21 days prior to beginning the work, a Certificate of Insurance evidencing the coverage from previous page. Such Certificate shall (a) name as Certificate Holder: “The College of American Pathologists, 325 Waukegan Road, Northfield, Illinois 60093”, and (b) shall contain the following language in the Description of Operations: “The College of American Pathologists and the Wynn/Encore Las Vegas, and all of their respective officers, directors, members, agents and employees are shown as additional insureds solely with respect to General Liability and Auto Liability coverage as evidenced herein, on a primary/non-contributory basis. A waiver of subrogation is included under the General Liability, Auto Liability and Workers Compensation coverage as evidenced herein. Umbrella Follows Form.”

Should events beyond the control of the CAP or the Wynn/Encore Las Vegas, (including but not limited to acts of God, labor disputes, civil disturbance, acts of terrorism, curtailment of transportation, etc.) materially affect either party’s ability to perform, the CAP reserves the right to terminate this contract without prejudice. The CAP reserves the right to promulgate, interpret, amend, and enforce all exhibit rules and regulations, and to alter the exhibit floor plan and schedule in the best interest of the exhibition and the exhibitors. All matters not addressed in these rules and regulations are subject to the discretion of the CAP.
